What Is the CISF West Zone?

The CISF is a paramilitary force under the Ministry of Home Affairs, established primarily to provide security to industrial units, government infrastructure, and public sectors. India's vast geography necessitates regional divisions for effective command and control, and the west

zone is one such critical segment. Covering states like Maharashtra, Gujarat, Rajasthan, and parts of Madhya Pradesh, the west zone is entrusted with securing vital installations such as ports, airports, power plants, and nuclear facilities. The CISF West Zone unit list encompasses various battalions and specialized units deployed across this region. These units are structured to provide multi-layered security and quick response capabilities against emerging threats, including terrorism, sabotage, and theft.

Key Units in the CISF West Zone

The west zone of CISF is home to multiple battalions and units, each assigned to protect specific infrastructure. Here's a detailed look at some of the prominent units within the CISF West Zone:

1. CISF Units at Major Airports

Airports are among the most sensitive and vulnerable locations, requiring round-the-clock security. The CISF West Zone is responsible for safeguarding several major airports, including:

1. Mumbai International Airport, Maharashtra
2. Ahmedabad International Airport, Gujarat
3. Jaipur International Airport, Rajasthan
4. Vadodara and Surat Airports, Gujarat

The CISF units stationed at these airports not only manage passenger security screening but also oversee the protection of aviation infrastructure, cargo terminals, and other critical assets.
