At first glance, “pit john persons” appears to be a phrase combining a few distinct elements. Breaking it down, “pit” might refer to a location, a surname, or a descriptor, while “john persons” suggests a person’s name. Historically, the surname Persons is an English surname with roots going back several centuries, often linked to patronymic traditions—meaning “son of a person” or more specifically tied to a forebear named John or similar. The inclusion of “pit” could imply a geographic feature, such as a mining pit, a sunken area of land, or even a nickname related to a profession or place.
